I certify with penalty of perjury that the information furnished on this application and the attached schedules, if applicable, is true and correct, and that I have knowledge of the applicable Federal and State safety regulations and equipment requirements for the operation of commercial motor vehicles.

Under Wisconsin's Open Records Law, the Department may make nonconfidential motor vehicle information available to companies and others who use the data for business purposes. If your IRP registration is in your personal name and you want your name and address withheld from such companies/groups, please obtain form MV3592, Request to Withhold Name and Address. If you have questions about this option, call 608-266-1466.
